Dear Mr. Bogue:

On May 23, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 2, 2000, responses are inadequate because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-A review of your itemized receipts indicates a discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee given in the calendar year 2000. It appears that you have reported contributions from partnerships as memo entries, and failed to include the appropriate aggregate year-to-date totals for those entries. Please note that contributions from partnerships should be reported in the following manner: If a single partnership contribution exceeds \$200, or if several contributions by the same partnership aggregate over \$200 during a calendar year, the committee must itemize the contribution (name of partnership, address, date of contribution, amount and aggregate total) on a Schedule A supporting Line 11(a)(i). Additionally, if an individual partner's share of the contribution exceeds \$200 when combined with other contributions received from that partner in the same calendar year, the committee must disclose, as a memo entry, itemized information on the partner. (11 CFR §104.8 and 110.1(e)) Please review your procedures for compliance with this requirement and amend your report(s) as necessary.
